JAN WACHTER

Jan Wachter is a Healthcare Recruiter at MSI Consulting. She focuses on placing Nurse Managers and Advanced Practice Nurses: Nurse Practitioners, Physician Assistants, and CRNAs.

Jan has more than seven years of experience in corporate and agency staffing. She has a master's degree education from Georgia State and earned the designation of Certified Personnel Consultant (C.P.C.) from the National Association of Personnel Services. This certification signifies a knowledge base of employment law, best business practices and high ethical standards.

"Getting to know the client's environment and the candidate's personality well provides the best opportunity for making a workable match," she said. "My strength is listening closely and developing a strong rapport, and then wowing them with my consistent and timely follow through."

"Unlike other recruiters I have worked with when I was job searching, Jan Wachter at MSI was very professional, honest and clearly experienced," said Becky Taylor, a pediatric nurse practitioner. "She was always available to answer my questions and, when she didn't know the answer, she'd research it and get right back to me. Jan was also an excellent liaison between me and the doctor. Working with her was a great experience."
